RE: Water Right Nos. 67-10702, 67-11428 & 67-11429

Dear Mr. & Mrs. Armacost:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership

Thank you for sending in the copy of the Warranty Deed unfortunately Warranty Deed transfers ownership from Flying Y Limited Partnership to you and the legal description does not match the place of use for the above Water Rights. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

 X **Evidence of Water Right Ownership:** copy of Warranty Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question. Please send a Notarized copy of a Warranty Deed transferring water rights from Jacobs Ranch to you. The legal description should show sections 28 & 29, township 17 north, range 1 west, located in the NW1/4SW1/4 & SW1/4NW1/4 of section 28 and SE1/4NE1/4 of section 29.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have any questions regarding this matter, please call Kari Lynn Townsend at 208-287-4952
