RE: Security Interest for Water Rights 51-4017, 51-4019, 51-4020, 51-4021, 51-10132

Dear Ms. Devlin:

The Department of Water Resources acknowledges receipt of your Notice of Security Interest in the above referenced water rights.

As indicated by our unanswered letter of December 17, 2004 (copy enclosed) these water rights are **not** currently listed in the name of your client, Joseph C. Black. Our database shows these rights in the ownership of Harley Ranches. If there is a connection between Harley Ranches and Joseph C. Black we need to have written confirmation of that information.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information **within 30 days** we will return your notice and all attachments and your notice will not be processed.

Also enclosed in this mailing is a copy of the letter to Joseph C. Black confirming the addition of your requested Security Interest in water right 55-10046, a database report and the receipt for the \$150.00 filing fees paid for the requested Security Interest processing. If you are unable to provide the required information for the five (5) water rights referenced above we will refund \$125.00 to you and return your unprocessed request.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have any questions regarding this matter, please call me at 208-287-4952.

Sincerely,

Kari Lynn Townsend
Secretary
