RE: Security Interest for Water Rights 51-4017, 51-4019, 51-4020, 51-4021, 51-10132

Dear Ms. Devlin:

The Department of Water Resources acknowledges receipt of your Notice of Security Interest. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

 X **Evidence of Water Right Ownership:** copy of Deed, Title Policy, Contract of Sale, or other legal document indicating ownership of the property and/or water rights in question in the name of your client.

Our records indicate the current owner of the above referenced decreed water rights as Harley Ranches. Copies of the decrees for each of these water rights are enclosed. If your client, Joseph C. Black, is the current owner of these properties we will need to have a Notice of Change in Water Right Ownership form completed and submitted to our office with appropriate support data and filing fees. I have enclosed a copy of the ownership change form for your convenience.

Because the Department cannot process the ownership change without proper documentation and fees, we will hold any action on your notice pending receipt of the necessary information and fees. If we do not receive the necessary information and fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have any questions regarding this matter, please call me at 208-287-4952.

Sincerely,
