### •Comments:

I received your packet of evidence showing development of the lapsed permit no. 65-13800. However, the department cannot proceed on this information without a Proof of Beneficial Use (proof), **and** either a license exam fee **or** a Beneficial Use Field Report (report) prepared by a Certified Examiner. I am attaching the proof form with its instructions and the license exam fee schedule. If you wish to have a Certified Examiner prepare your report, I can provide you a list of our examiners, or you can access the department's website for that information. Please read the instructions for clarification and complete the form, then file it with the department with the appropriate fee or report.

Upon receipt of your proof, I will review this matter for reinstatement. At that time, if additional information is needed or I have any questions I will contact you.

Please contact me at the above number if you have any problems with the transmission of this fax, or if you have any questions.
