Re: Permit No. 63-32067

Dear Mr. Keen:

After discussing the matter further with my client, Greg Obendorf, it has been determined that the original language in Condition No. 4 of Permit No. 63-32067 is acceptable. The water under this right is intended to be used in the ponds exclusively. Accordingly, we hereby withdraw the *Petition for Reconsideration* previously filed concerning this matter.

Thank you for your attention to this matter. If you have any questions or need additional information, please contact me.

Sincerely,

HOFSTETTER LAW OFFICE, LLC
