Attorney for Ann and Greg Obendorf

**BEFORE THE DEPARTMENT OF WATER RESOURCES
 OF THE STATE OF IDAHO**

IN THE MATTER OF)	Case No. _____.
PERMIT NO. 63-32067)	
)	PETITION FOR RECONSIDERATION/
)	EXCEPTION
_____)	

Greg and Ann Obendorf, by and through their attorney of record, Dana L. Hofstetter of Hofstetter Law Office, LLC, respectfully request correction of Condition No. 4 of Permit No. 63-32067 to reflect that the proposed use includes wildlife habitat areas in addition to 8 ponds. The map attached to the Amended Permit Application filed on May 11, 2005 indicated in red stripes the place of use for the habitat areas and with blue dots the location of the 8 ponds. Further, the Remarks Section in the Amended Permit Application indicated that the proposed use would include 8 ponds plus associated

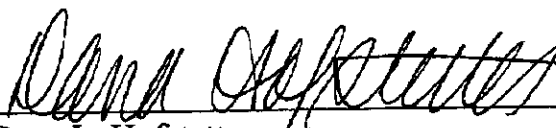

habitat areas. However, Condition No. 4, as currently written, suggests that the proposed use involves only 8 ponds. For these reasons, the Obendorfs respectfully request correction of Condition No. 4 of Permit No. 63-32067 to reflect that the proposed use includes wildlife habitat areas in addition to the 8 ponds.

DATED this 27th day of September, 2005.
