3. dcarlson 8/29/2005 Field Report Narrative

Comment: this spring know locally as davis spring into a spring box to pipeline to a home with a lawn and corrals for some horses.

4. kwalker 9/21/2005 Priority Date

Comment: Priority date was advanced due to late exam fee. See Order dated 9/21/2005 in file.

5. kwalker 9/21/2005 Point of Diversion

Comment: Spring is unnamed on topo AA100 so have changed source to show spring rather than Davis Spring. Also added 10 acre tract description. Measured distance of this 40 and found spring to be in (Lot 6) NENWSW. Have made this change to proposed license.
