RE: Conditions on Approved Transfer for Paramount LLC, # 72053

Dear Mr. Spackman:

Regarding approved Transfer 72053 (October 24, 2005), condition number 9 indicates that the place of use is located within Heritage Commons Subdivision. This should read 'within Paramount Subdivision'. I believe this is a simple typo error on the data entry side, because the intention of the transfer was to move a portion of the parent water right to Paramount and leave the remainder in place at Heritage Commons Subdivision. A change in ownership resulted in water right 63-32096 for Heritage Commons and water right 63-32097 for Paramount subdivision.

On behalf of Paramount LLC, I would like to request that IDWR change condition 9 to read 'Place of Use is located within Paramount Subdivision'.

If you have any questions or comments, please call.

Regards,

Steven R. Hannula
