RE: Proof of Beneficial Use Permit # 27-7456

Enclosed please find the following documents to prove Beneficial Use for the period of June 1991- June 1994. 1) Power bills for 1992-1994 2) Aerial photos from the Water Resources Dept. 1992 and ASCS Dept. 1993. 3) Notarized letter from our neighbor Steve Oleson 4) Receipt of monies paid to the Idaho Dept. of Water.

The only explanation of not getting the paperwork done is that when we sent the money in for the extension of time we assumed that it was accepted as we did not receive the money back and never heard anything else. Being land owners for the first time we were a little overwhelmed with all that was involved. The only other explanation that there may be is that if there was any more correspondence sent that we did not receive it. On several occasions we have found our mail out in the field and it has been delivered to the wrong address.

If there is anything else that you may need please contact us so we can get this matter resolved.

Thank you,

A handwritten signature in cursive script, reading "Gerald Bartauskys".

To Whom It May Concern:

To the best of my knowledge the well was drilled and pivot was set and in use in the spring of 1982 when Virginia Rollison owned the property located at 310 E 200 N. (02S 36E 22). In 1991 the property was purchase by Gerald Bartasuky and the well, pump and pivot have been in use since.
