Re: Protested Transfer Application 71892.

Dear Mr. Andrus

Thanks for calling today about the above referenced protested Application for Transfer. I feel that this matter can be taken care of easily by doing the following:

1. Delete the location off your original transfer application. I have included the front page and marked which one requires deleting.
2. Revise the total number of acres to 327.3 acres.
3. Return to my care

I will then revise and send a letter to BLM advising of the change and request that they withdraw their protest.

Please call if this is not clear or you have questions.

Sincerely,

W. Roger Warner
Water Right Supervisor – Eastern Region
