PROPOSED CHANGE OF WATER RIGHT

Don K. Weilmunster, PO Box 1543, Boise, ID 83701 filed Application No. 72203 with IDWR to transfer two water rights with 1967 and 1973 priority dates from ground water totaling 5.54 cfs. The purpose of the transfer is to rearrange the lands being irrigated to allow two pivots to be used to irrigate the existing ground. Even though the number of acres per legal tract will change the farm is still in the same location. The points of diversion will not be changed. The property is located 1/2 mile east of the point where the Middle Fork and South Fork of the Payette River join near Crouch

For specific details regarding the application, please contact IDWR Western Region at 208-334-2190 or visit www.idwr.idaho.gov with detail provided under "new water right applications". Protests may be submitted based on the criteria of Sec 42-222, Idaho Code. Any protest against the proposed change must be filed with the Department of Water Resources, Western Region, 2735 Airport Wy, Boise ID 83705-5082 together with a protest fee of \$25.00 for each application on or before October 24, 2005.
