RE: Change in name of Water Rights Ownership

My wife and I (Robert & Nancy Westenskow) own a lot in Island Park with a well on it, which was purchase in July 1991. We have been doing some estate planning and established a family trust. We are applying to have the water rights to our well transferred from our individual names to the name of our family trust (Robert and Nancy Westenskow Family Trust).

I hope we have attached all the documents required to accomplish this. A check for the \$25.00 fee is attached. Here is a list of the encloses:

1. Notice of Change In Water Right Ownership
2. Copy of "Notice of Claim to a Water Right Acquired Under State Law"
3. Certificate of Trust Existence And Authority (This document is to provide proof of the Trust existence and designated Trustees)
4. Quick Claim Deed – This document shows the transfer of the ownership of our Island Park Lot from our individual names to the Family Trust.
5. Plot map – I have circled our lot #11 on the plot map.

I hope these encloses will provide all the information you need as set forth in your application instruction. If more information is needed, please call me.

Sincerely

Robert Westenskow
