RE: Application for Transfer for Haringa Family Trust

To Whom It May Concern:

Attached is an Application for Transfer in the name of Haringa Family Trust. The water rights involved with this transfer are for stockwater and commercial use at a dairy currently under construction. The water rights list only one point of diversion. The owner of the dairy wants to have a backup well. This Application for Transfer is to add a point of diversion. The new point of diversion is for backup use only and will not change the diversion rate or annual volume currently authorized.

The \$100 filing fee is included with this submittal.

If you have any questions, please call.
