RE: Change in Ownership of Decreed Water Right No. 36-8525

Dear Mr. & Mrs. Adkins:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

Our review of your Warranty Deed shows that the property is conveyed **DRY** therefore the water available on water right 36-8525 is excluded from the land you have purchased. If you feel that the water should accompany the land you will need to provide information in support of this.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have any questions regarding this matter, please call Kari Lynn Townsend at 208-287-4952.

Sincerely,

Kara Alder
