LEGAL NOTICE PROPOSED CHANGE OF WATER RIGHTS

The Corporation of the Presiding Bishop of the Church of Jesus Christ of Latter-Day Saints, a Utah Corporation Sole, of 50 East North Temple, Salt Lake City, UT 84150-6321 filed three applications with IDWR to transfer various combinations of three water rights to three separate church sites in Canyon County. All the rights describe ground water (wells) for irrigation.

Application 72070 proposes to transfer a water right with a 1983 priority date totaling 0.60 cfs. The transfer will split the right, retire 1.7 acres of irrigation, and move that portion to a proposed new well for 0.03 fs to irrigate 1.7 acres south of Nampa. The new well and land are about 0.5 mile north of Ustick Road on North Side Road in Canyon County. The unchanged portion of the right will remain on land about 0.5 mile west and 0.5 mile south of Locust Grove and McMillan in Ada County.

Application 72071 proposes to transfer three water rights with 1954 to 1983 priority dates totaling 3.07 cfs. Each right now covers land in separate locations in Ada or Canyon County. The transfer will split a portion of all the rights to transfer portions of the rights to a single property owned by the applicant. The rights will be split as follows:

- retire 1.2 acres near the northwest corner of Canyon Street and Smith Avenue in Nampa, Canyon County
- retire 1.2 acres about 0.5 mile south and 0.5 mile west of Locust Grove and McMillan, Ada County
- retire 1.6 acres about 1.5 miles east of Robinson Road and 0.5 mile south of Kuna Cave Road, Ada County.

The transfer proposes to provide a new well for 0.09 cfs to irrigate 4 acres about 0.5 mile south of Karcher and Farmway Roads in Nampa. The unchanged portions of the rights will remain on land described above under the 3 bullets.

Application 72072 proposes to transfer a water right with a 1954 priority date totaling 0.09 cfs. This is the same 1954 right proposed in Application 72071 above. The transfer will retire the remaining 1.8 acres of irrigation under the right and move that portion to a proposed well for 0.05 cfs to irrigate 1.8 acres about 0.25 mile south of Hwy 44 on Lansing Lane.

For specific details regarding the application, please contact IDWR Western Region at 208-334-2190 or visit www.idwr.idaho.gov with detail provided under "new water right applications". Protests may be submitted based on the criteria of Sec 42-222, Idaho Code. Any protest against the proposed change must be filed with the Department of Water Resources, Western Region, 2735 Airport Wy, Boise ID 83705-5082 together with a protest fee of \$25.00 for each application on or before October 3, 2005. The protestant must also send a copy of the protest to the applicant.
