RE: Change of Ownership for Water Right No. 63-10853

Dear Mr. Peppersack,

Enclosed please find a check for \$75.00 to complete the change of ownership for the above-referenced water right. The City had previously submitted \$25.00, based on the fact that the City purchased the only portion of the water right that is still valid and did not anticipate that IDWR would consider the change of ownership to be a split of the water right.

According to your letter of March 11, 2005, the City's acquisition of the irrigation portion of the water right can be clarified by documentation that the domestic portion of the right has been abandoned. Enclosed is the affidavit from the previous owner that indicates that the domestic portion of the water right has been abandoned (Quit Claimed back to the State.) (The domestic well was abandoned as part of the State's effort to abandon wells in the area of the PERC plume in the area now occupied by the Boise Towne Square Mall.) This leaves 0.127 cfs for irrigation use on the City's 4.2 acre parcel.

Thank you for your assistance. Please contact this office at your earliest convenience if you require any additional documentation.

Sincerely,

Maria Minicucci
Property Administrator
