RE: Water Right No. 63-11216

Dear Kandice,

This letter is written to request the separation of ground water rights subject to permit number 63-11216.

Our Notice of Change in Water Right Ownership should only include the ground water right located within the SW1/4 SE1/4 Section 27, Township 02N, Range 03W. The ground water diversion from NE1/4 SW1/4 Section 35, Township 02N, Range 03W is not a part of our ownership.

Please separate these two points of diversion and only include the Section 27 ground water on our permit number 63-11216.

I believe the balance of the information you have requested has been furnished from our manager Dale Jeffers under separate cover.

Sincerely,

Paul D. Lukas
CFO
