Dear Norma:

Enclosed you will find a legal notice which we wish to have published in your newspaper on the dates indicated (once a week for two consecutive weekly issues).

If you cannot publish the notice on the proposed dates, please contact us immediately at 736-3033.

An affidavit of publication must be submitted to the Department along with the publication bill. Your cooperation is appreciated.

Sincerely

Mary A. Baldwin
Administrative Assistant

NOTICE OF PROPOSED CHANGES TO WATER RIGHTS

Notice is hereby given that several Applications for Transfer have been filed with the Idaho Department of Water Resources for changes to water rights within Gooding County. **ORVAL E. & BONNIE VADER, 2748 RITCHIE RD; HAGERMAN ID 83332 filed Application No. 72175** on 8/15/05. Transfer splits a water right currently used to irrigate 190 acres into two separate parcels. One parcel will use the existing well to irrigate 152 acres. A new well will be drilled for the second parcel to irrigate the remaining 38 acres. Location is approximately 2.5 miles east and 1.0 mile south of Hagerman. **KEVIN L. &/or DELILAH SLADE, 3550 S 2100 E; WENDELL ID 83355 filed Application No. 72083** on 7/1/05. Transfer adds a second well, already drilled, to two decreed ground water rights currently used to irrigate a total of 153 acres. Location of the new well is approximately 6 miles south and 1.75 miles east of Wendell. **DIAMOND A LIVESTOCK INC., 1997 S 1875 E; GOODING ID 83330 filed Application No. 72177 and Application No. 72178** on 8/8/05. Transfers 72177 and 72178 involve lands approximately 4 miles south of Gooding located west of the Wendell -Gooding Highway. Transfer 72177 proposes development of a new truck washing facility. Two (2) acres are to be dried up (37-21491) and the water used at the new facility in combination with the water right associated with an old truck washing facility (37-21492). The existing well currently used by the old facility is to be used for the new facility. The new truck washing facility is to be located just east of the old facility. Waste water from the facility will be land applied next to the new facility. Transfer 72178 modifies the acres irrigated under the majority of the remainder of right 37-2514 (37-21490) reshaping the place of use to cover an existing pivot system. For specific details regarding an application, please contact IDWR Southern Regional Office at 208-736-3033 or visit www.idwr.idaho.gov with detail provided under "New Water Right Applications". Protests may be submitted based on the criteria of Sec 42-222, Idaho Code. Protests against approval must be filed with IDWR, Southern Region, 1341 Fillmore St.-Suite 200; Twin Falls, ID 83301 with a protest fee of \$25.00 for each application on or before October 2, 2005. The protestant must also send a copy of the protest to the applicant.

Karl J. Dreher, Director
