Subject: Water right 34-10018

Shelley,

Doing a water right search by place of use in T04N, R39E. Sec 33, I noted that a Basin 34 right was listed along with Basin 25 water rights. Water right 34-10018 in the name of Grant W & Sherry Crowder has a legal description that should place the right in **Basin 25** not **Basin 34**. The Crowder's were not the people that I was assisting I just noted that a Basin 34 right should not be listed along with Basin 25 water rights.

WATER RIGHT NUMBER: 34-10018

<u>Owner Type</u>	<u>Name and Address</u>
Current Owner	GRANT W & SHERRY CROWDER 307 N 3600 E RIGBY, ID 83442 (208)754-0410

Location of Point(s) of Diversion

GROUND WATER SE1/4NW1/4 Sec. 33, Twp **04N**, Rge **39E**, B.M. JEFFERSON County
34-10018 PARCEL NO. RP04N39E334370

The only documents that I can view is the one page print-out of the decree.

34-10018.tif

Pedigree does not show much just a green circle with ?.

Plese see what can be done.

Thanks,
Keith
