Comments:

1. csaxton 6/1/2004 POD

Comment: Licensed POD was listed as SWNE of section 9. For some reason, through the split process of 63-09655 the POD was described incorrectly as the SENW of section 9. Recommend as licensed.

2. csaxton 6/1/2004 Diversion Rate

Comment: This right was licensed for 0.01978 cfs per acre and 47 acres. SRBA review found less acreage than originally licensed. Diversion rate was recommend for 0.02 cfs per acre and there is still extra diversion rate not recommended after distribution of original licensed (63-07655) diversion rate.
