Re: Ronald and/or Pamela Archuleta and Gary and/or Barbara Greenwell
Applications for Transfer No. 71309
CH File No. 8555-001

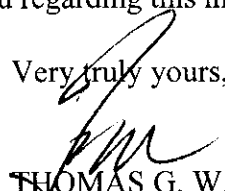

Dear Ms. Gibson:

I am writing to request another 90-day extension of the hearing in the above-referenced matter. The matter was originally set for hearing on March 29, 2005. By order dated March 22, 2005, the hearing was vacated and postponed for 90 days. The order required the parties to contact the IDWR on or before June 20, 2005 to either reschedule the hearing or withdraw their protests or applications.

The original postponement was granted because a civil lawsuit was then pending between the Archuletas and the Greenwells on the one hand and Theodore and Phyllis Bohlman. An Amended Judgment was entered in favor of the Archuletas and the Greenwells on June 10, 2005, which eliminated the Bohlmans' claims to the well from which the transfer was sought. The Bohlmans have, however, filed a notice of appeal. If the Archuletas and the Greenwells ultimately prevail, it is likely that the transfer will not be necessary.

We look forward to hearing from you regarding this matter.

Very truly yours,

THOMAS G. WALKER
