RE: Change of Ownership for Water Rights 63-4327, 63-8206, 63-8207, 63-11051,
63-11053, & 63-27144

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water rights to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records. Water Right 63-4327 was not included in this ownership change. The water right was disallowed in the SRBA court, and therefore is no longer an active water right.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

for 
Jeff Peppersack, Manager
Water Right Permits Section
