RE: Faulkner Land & Livestock Co., Inc.
Water Right 37-08720

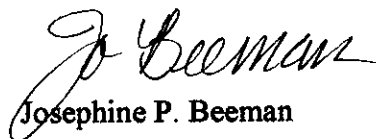

Dear Shelley:

I appreciated the opportunity to talk with you this morning about the October 10, 2002 letter which you sent to Mike Faulkner (Faulkner Land & Livestock) regarding water right permit number 37-08720. Mike Faulkner would like to provide additional documentation of the well capacity in July 1993. In addition, I would like to talk with Phil Rassier about SRBA partial decree 37-08812 and SRBA recommendation 37-08005B which are diverted from the same well for the same 324 acre permissible place of use as permit 37-08720.

Mike Faulkner's provision of documents to you, as well as my discussions with Phil Rassier, may extend beyond the 14 day period, ending October 24, 2002, referenced in the October 10 letter. I understand that this does not present a timing issue for IDWR and I look forward to working with all of you regarding the licensing/amendment of permit 37-08720.

Sincerely,

BEE MAN & ASSOCIATES, P.C.

Josephine P. Beeman
