RE: Changing the new point of diversion on the application for transfer water right 13-2312

Mr. Keith Lloyd of Lloyd Farms came in today and wants to change the Application for Transfer for water right 13-2312. Mr. Lloyd wants to use an existing well in NESW (L-3) Sec 24, T09N, R39E, as the added new point of diversion. Since Mr. Lloyd does not own the property where the existing well is located he wants to hold off this change until he has a written agreement with the landowner of the NESW (L-3) Sec 24, T09N, R39E.

I have requested proof of ownership of the place of use under water right 13-2312, and proof of ownership of the NESW (L-3) Sec 24, T09N, R39E, along with the written agreement allowing Lloyd Farms to use the well site and well.

A handwritten signature in cursive script, reading 'Keith C. Wilson', written over a horizontal line.
