RE: Application for Transfer to add a point of diversion to water right 13-2312

Dear Mr. Lloyd:

I reviewed the warranty deed that was faxed to this office to determine if you own all the land under water right 13-2312. I also called the Caribou County Tax Assessor office to inquire as to land ownership.

The warranty deed does not include Lot 1 (NENW) Sec 25, T09S, R39E, and the Caribou County Tax Assessor office told me that you are not the owner of Lot 1 (NENW) Sec 25, T09S, R39E. In order to complete the transfer as you proposed this office will need documentation allowing the transfer. Documentation can consist of items such as the following:

1. Proof of Ownership
2. Lease agreement
3. Easement from the current owner of the property

If the documentation is from the current owner of the property this office will also need a warranty deed from that owner as proof that he is the owner of Lot 1 (NENW) Sec 25, T09S, R39E.

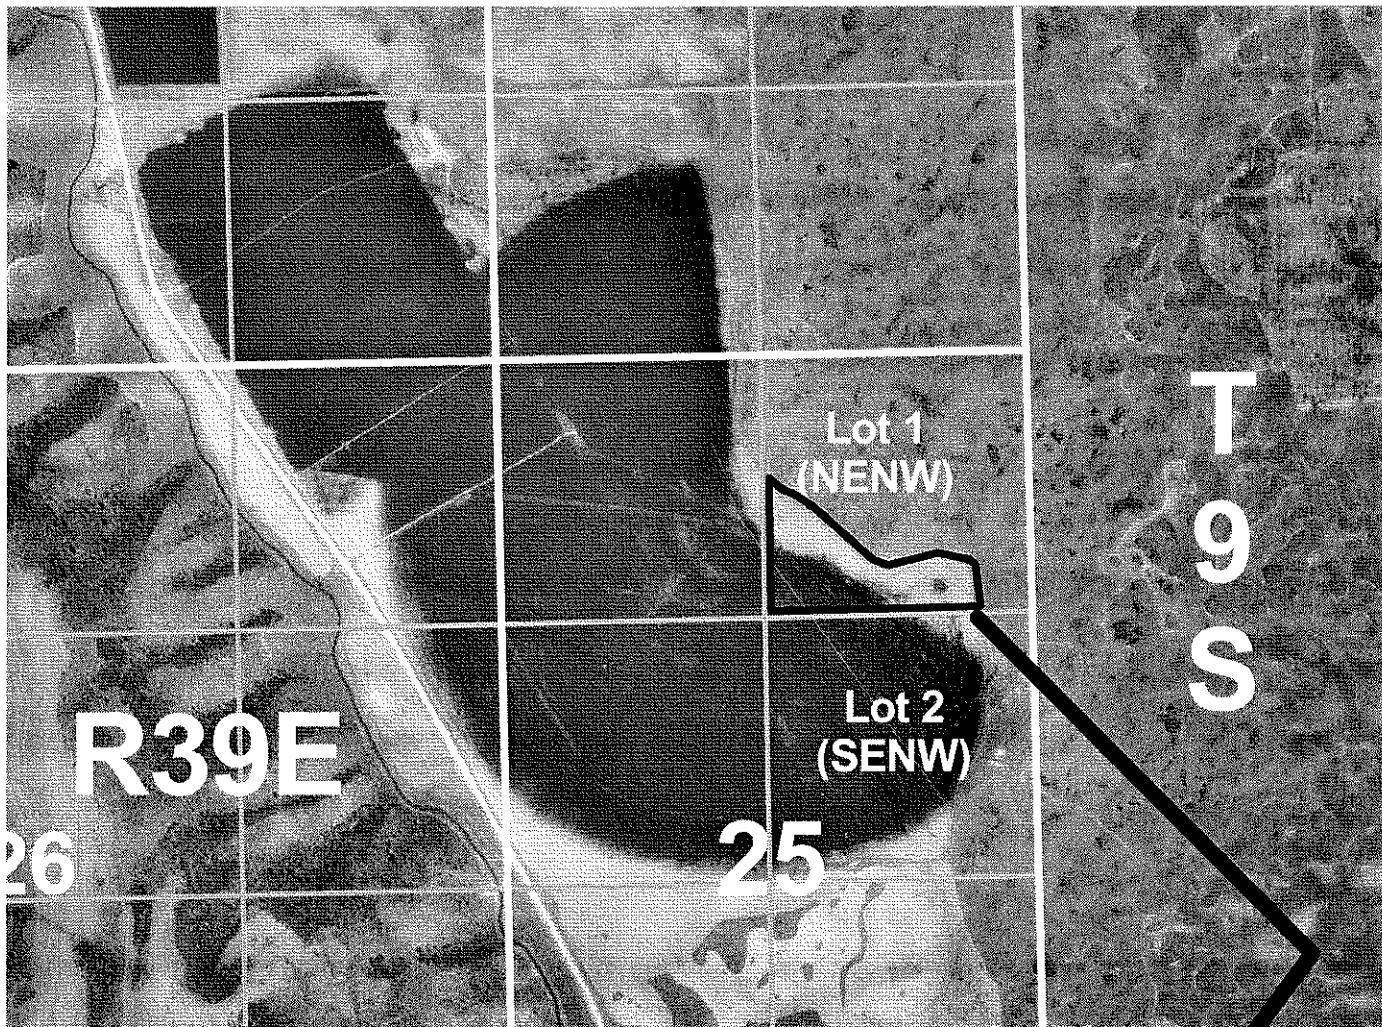

To assist you in identifying the place of use in question, enclosed is an aerial photo with the portion of Lot 1 (NENW) Sec 25, T09S, R39E, outlined.

Your prompt response on or before May 22, 2003, would be appreciated.

Thank you,

Keith C. Wilson
