RE: Telephone conversation

=====

I received a telephone call today from Mark Wagner. He wanted to check the status of his change of ownership notice.

I was unable to find the file during my conversation with Mr. Wagner and told him I would call him back. He gave me his phone number as 206-405-9599.

After closing the call with Mr. Wagner, I made a more concentrated effort to find the file and did find it. When I opened the file I found that we have received an ownership change request from Richard F. Lester of Indian Valley, ID but there is nothing in the file or in the pending ownership changes from Mark Wagner.

I called the phone number he had left and reached a recording saying that the number was not a working phone number.
