RE: Water Right No. 67-11527
Change in Ownership

Dear Mr. & Mrs. Carroll:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

X **Evidence of Water Right Ownership:** copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question. [Enclosed please find a computer report with the missing portion of property highlighted. This property was not included on your deed and we must have evidence of ownership before proceeding.]

X **Legal Description of Property**

Should you determine that the missing portion of property does not belong to you, the water right can be split to separate your portion from the remainder. This will require an additional \$75. Please contact our office if you have questions regarding this option. Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information **within 30 days** we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have questions, please contact Kari Lynn Townsend at 208-287-4952.

Sincerely,

Kandice L. McDermott
