

MEMORANDUM

Date: January 18, 2003
To: Water Right File 67-11527
From: Sharla
Re: Ownership

On this I reviewed an ownership change request and found that the change had already occurred, however, I found a discrepancy in the legal description. The deeds and map indicate place of use within the SESW, not the SESE, S4. It would appear that the legal description decreed is incorrect. Although the ownership request has already been processed, a letter to the new owners is warranted informing them of the discrepancy.
