Re: Sulphur Creek Ranch, Inc.

In regards to permit # 77-7052, you state that there is a diversion to the storage period of May 1 through November 1 at 1.50 cfs. The water is diverted all year round to the pond, not just through this period. Therefore, I would like to petition for reconsideration.

In regards to permits #77-7052, #77-10096, and #77-4184, what do I need to do? Do I need to fill out some forms? Please let me know.

Sincerely,

Tom Allegrezza

Dear Water Right Holder(s):

The Department of Water Resources has issued the enclosed Water Right License confirming that a water right has been established in accordance with your permit. Please be sure to thoroughly review the conditions of approval and remarks listed on your license.

The license is a PRELIMINARY ORDER issued by the Department pursuant to section 67-5243, Idaho Code. Enclosed is a copy of the approved Application for Amendment.

Please note that water right owners are required to report any change of water right ownership and/or mailing address to the Department within 120 days of the change. Contact any office of the Department or visit the Department's homepage on the Internet to obtain the proper forms and instructions.
