RE: Water Right Nos. 65-03378 and 65-03379
Change in Ownership

Dear Mr. and Mrs. Palmer:

In June of 1999, the Department of Water Resources sent you correspondence acknowledging receipt of your change in ownership documentation and providing confirmation of that change to our database. The purpose of this letter is to inform you that the Department processed that change incorrectly and to provide you with information regarding the correction.

During a review of the file for water right no. 65-03378, it was determined that the right is appurtenant to parcel no. RP 08N02E324850 A owned by Christopher W. and Laura N. Johansson. Water right no. 65-03379 was found to be appurtenant to the property listed on your ownership change documentation. We have enclosed a copy of the Department's recommendation in the Snake River Basin Adjudication (SRBA) and a copy of the partial decree record from the SRBA Court for water right no. 65-03379 for your records. The Department will change the database to reflect your ownership of this right and to reflect the Johansson's ownership of right no. 65-03378.

Please accept our apologies for this error. If you feel that this change is incorrect or if you have questions regarding this change, please feel free to call me at 208-327-7940.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jeff Peppersack'.
