RE: Change of Ownership for Water Right 65-4192A

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water right to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

A handwritten signature in dark ink, appearing to read "Jeff Peppersack", is written over the printed name. To the left of the signature, the word "for" is written in a cursive script.

Jeff Peppersack, Manager
Water Right Permits Section
