RE: Security Interest for Water Rights 33-51 thru 33-60, 33-10995/96, 33-2101A/B

Dear Security Interest Holder(s):

The department acknowledges receipt of correspondence adding a Security Interest to the ownership of the above referenced water rights to you. The department has modified its records to reflect the changes in ownership and has enclosed computer-generated report for your records. This change is made to update and correct a change that was made in June 2004.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,
