Re: Application for Amendment of Permit Nos. 41-7076 & 41-7081

Dear Mr. Foster:

Pursuant to correspondence created by Gary Spackmen dated 8/30/05 regarding contested transfer No. 71132 and the inter-relationship to Permit Nos. 41-7076 & 41-7081, this office is processing the two referenced Applications for Amendments.

Please be advised that this office has scheduled advertising the applications for Amendment in the **Power County Press** on 9/21 & 9/28/05. A period of ten days following the second publication will be allowed for the submittal of protests. (10/11/05)

If the applications are protested you will be sent a copy of the protest. All protests must be resolved before the Amendments are approved or denied. If the protest is not resolved voluntarily, this Department will conduct a conference and/or hearing on the matter.

Please feel free to contact this office if you have any questions regarding this procedure.

Sincerely,

Corey Skinner
Dam Safety Engineer I
