RE: Change of Ownership for Water Rights 36-2305, 36-2343, 36-2459, 36-14285

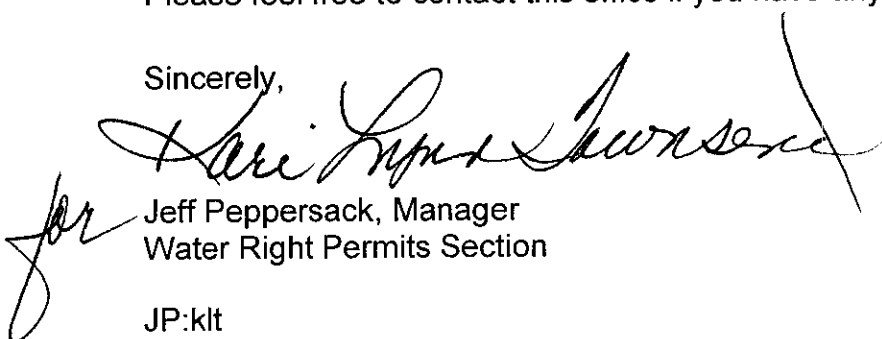

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water rights to you. The department has modified its records to reflect the changes in ownership and has enclosed computer-generated reports for your records. Your request was received in December 2001 and processed that same month with the unfortunate result that the database did not retain the information. That has been corrected and the database is now current with your name.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Jeff Peppersack, Manager
Water Right Permits Section
