Re: Protest Change of Water Right

I Dale Wistisen do hereby protest the change of water right transfer No. 72038 as per Sec. 42-222 Idaho Code. The new well is placed closer to my well, license No. 29-07394. In comparing the driller's logs of the two wells and I find that they are similar in depths to water and rock formations. This has the possibly of interfering with my ability to supply water to my house and crops.

Your consideration in this matter will be much appreciated

Sincerely,

  
Dale R Wistisen.
