CONDITIONS OF APPROVAL

1. Failure of the right holder to comply with the conditions of Transfer No. 69750 is cause for the Director to rescind approval of the transfer.
2. Prior to diversion of water under this approval, the right holder shall provide a means of measurement acceptable to the Department from all authorized points of diversion which will allow determination of the total rate of diversion.
3. The total instantaneous diversion of water from all points of diversion under Right 63-32101 shall not exceed 0.05 cfs, nor total combined annual volume of 13.6 af.
4. After specific notification by the Department, the right holder shall measure the diversion or shall enter into an agreement with the Department to determine the amount of water diverted from power records and shall annually report the information to the Department.
5. The period of use for the irrigation described in this approval may be extended to a beginning date of 3/1 provided that beneficial use of the water can be shown and other elements of the right are not exceeded. The use of water before 3/15 is subordinate to all water rights having no subordinated early irrigation use and a priority date earlier than the date a partial decree is entered for this right.

WATER RIGHT NO. 63-32101
As Modified by Transfer No. 71927

CONDITIONS OF APPROVAL

6. This partial decree is subject to such general provisions necessary for the definition of the rights or for the efficient administration of the water rights as may be ultimately determined by the Court at a point in time no later than the entry of a final unified decree. Section 42-1412(6), Idaho Code.
7. Commercial use is for a fur and hide facility.

This water right is subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.
