Comment: This proposed license has no overlapping rights. GIS shape creation and update have identified point of diversion and place of use to be within Gov. Lot 3 (SENW) Sec. 20. This is different than what examiner recommended but arc view defined the location after inserting information from map. Season of use updated to standard season for this area. SRBA claim identifies new owner of this property. Will send amendment correspondence to present owner shown on SRBA claim with copy to current owner of record.
