2. jroberts 8/20/2005 Legal Notice Remarks
Comment: Application proposes re-circulation of water from an existing pond to create a waterfall at head of pond for aesthetic and wildlife purposes. Location is approximately 2.75 miles North of Ketchum, off Lake Creek Road.

3. jroberts 8/22/2005 Comment/Analysis
Comment: Map submitted with application showed Section 36 but the original application was for the NENE and the NENW of Section 35. (Application was amended for clarification of the purpose of use and only the NENE of Section 35 was identified.) Blaine County tax record layer in Arcview show ownership of a lot to Hogan in the NENW of Section 36, so I have corrected the application to reflect this location for both the pod and the pou.
