RE: Application for Permit #37-21464

Dear Mr. Hogan,

Enclosed is a computer print-out of your application for permit for your pond. I have changed the source to ***unnamed stream tributary to Lake Creek*** instead of ground water and the uses to include ***Aesthetic and Wildlife*** only. Please look it over and if you agree with the application, sign on page 2 and return it along with a sketch of your system so we may continue the processing of the application.

Feel free to give me a call at the office if you have any questions.

Sincerely,

Jeanie Robertson
Sr. Water Resource Agent
