RE: Boise Cascade Water Right No. 65-00587

Dear Cynthia:

Boise Cascade's water right number 65-00587 is currently in the State Water Bank. (See attached letter from IDWR dated March 11, 2004). Due to an unanticipated need that recently developed, Boise Cascade needs to be able to use a portion of the right at its facility. Therefore, please accept this as notice of an amendment to Boise Cascade's Application to Sell or Lease Water Rights to the Water Supply Bank for this right. Instead of 18.28 cubic feet per second being available for lease, only 17.38 cfs will be available. Please call if there are questions.

Sincerely,

Bruce M. Smith
