Re: Permit No. 67-14548

Dear Permit Holder(s):

The department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm that the use being made meets the permitted beneficial use.

Upon review of your proof, I find that you paid \$100.00 for the license examination fee. The department's license exam fee for a diversion rate of 0.04 cfs is \$50.00. Therefore, I have requested that the State of Idaho issue you a check in the amount of \$50.00. This check will be mailed to you within 7-10 business days.

Be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.

If you have questions concerning the field examination, please contact the Western Regional Office of the department in Boise at (208) 334-2190. If you have any questions regarding the refund or the processing of this proof, please contact me at (208) 287-4942.

Sincerely,
