RE: Change in Ownership for Water Right 65-1770, 65-1771, and 65-1661

Dear Mr. & Mrs. Klingback:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

☒ **Evidence of Water Right Ownership:** copy of **Warranty Deed, Title Policy, Contract of Sale**, or other legal document indicating your ownership of the property and/or water rights in question (for The Roger A and Kennie Lynn Klingback Trust)

☒ **Legal Description of Property**

We appreciate your quick response to our previous letter dated Jan 10, 2005 requesting the \$25 filing fee for water right 65-1661. Upon final review of your documentation we discovered a deficiency that had been overlooked. On your Notice of Change in Water Right Ownership you have requested the ownership of the water rights be changed from Beatrice and Eldon Klingback to The Roger A and Kennie Lynn Klingback Trust. However, the three Warranty Deeds that you submitted as evidence of ownership have the property in question being conveyed to Roger A Klingback and Kennie Lynn Klingback, husband and wife. The property is not being conveyed to the Roger A and Kennie Lynn Klingback Trust.

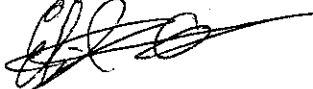

We realize that we should have noticed this deficiency and brought it to your attention in previous letters. We apologize for any way this has inconvenienced you. **However, we will not be able to process your request until we receive legal documentation (Warranty Deed, Title Policy, Contract of Sale) conveying the property to the Roger A and Kennie Lynn Klingback Trust. The legal description of the property must be included.**

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending its receipt. If we do not receive the necessary information **within 30 days** we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have any questions regarding this matter, please call me (Justin Aldridge) at 208-287-4944 or Kari Lynn Townsend at 208-287-4952.

Sincerely,
