RE: Water Right No. 63-11458
Change in Ownership

Dear Water Right Holder(s):

The Department of Water Resources acknowledges receipt of the additional documentation submitted by you in regards to this ownership change. However, according to the legal descriptions on these deeds, and the maps sent with the original package, we have no documentation showing ownership of property in the SE ¼ of Section 6.

Please provide our office with evidence of ownership for the following property: Township 1 South, Range 1 West, Section 6, NW¼SE¼ and SW¼SE¼. If this property is not owned by your company, you may submit an additional \$75 to have the water right split, showing ownership of that portion which you do own, and separating it from the remainder.

The Department will once again hold any action to this ownership change until we receive the required documentation. If we do not receive the necessary information **within 30 days** we will return your notice and all attachments and your notice will not be processed.

If you have any questions, please contact Kari Lynn Townsend at 208-287-4952. She will also be able to answer any questions you may have regarding a possible water right split.

Sincerely,

Kandice L McDermott
Records Analyst
