Re: *Filing of Notice of Change in Water Right Ownership*
Our File No. 2102

Dear Ladies and Gentlemen:

Enclosed for filing on behalf of our client, Carol Lynn MacGregor, is an original **Notice Of Change In Water Right Ownership**. Also enclosed is our check number 5137 in the amount of \$125.00 for filing fees. Please indicate your file stamp on the enclosed copy and return it, with a receipt for the filing fee, in the enclosed envelope.

Additionally, our investigation with Lori Harris at your office, in advance of this filing, revealed that name changes to Carol Lynn MacGregor for water right numbers 65-1972, 65-1973, 65-1979 and 65-11280 had been submitted to IDWR in 1998 but, according to current information, those name changes had not yet been completed. We presume that those name changes will be finalized as indicated in your files. Your assistance in notifying our office once those changes have been completed would be greatly appreciated.

Our investigation also suggested that the Western Region already has in its files the documentation to meet the requirements of item 3 C on the application. If this is not the case, please advise us at your earliest convenience of any additional information you require.

Thank you for all of your help in these matters. Please do not hesitate to contact our office if you need any additional information.

Sincerely,

BEEMAN & ASSOCIATES, P.C.

Josephine P. Beeman
