**PROPOSED CHANGE OF
WATER RIGHT**

Canyon County Water Co. Ltd. of PO Box 11, Star ID 83669 filed application no. 72109 with IDWR to transfer one water right with an 1867 priority date from the Boise River totaling 76.77 cfs. The purpose of the transfer is to retire 29.3 acres from irrigation and provide .59 cfs for ground water recharge to mitigate consumptive use resulting from excavation of three ponds and supplemental irrigation from those ponds for 75 acres proposed on accompanying application for permit no. 63-32142. Water will continue to be used for the new and existing uses within the applicant's service area generally located north of the Boise River between Star and Caldwell. The retired acres, proposed pond and supplemental irrigation are located about 1 mile west of Star between Hwy 44 and the Boise River. The proposed change will serve the River Ranch development.

For specific details regarding the application, please contact IDWR Western Region at 208-334-2190 or visit www.idwr.idaho.gov with detail provided under "new water right applications". Protests may be submitted based on the criteria of Sec 42-222, Idaho Code. Any protest against the proposed change must be filed with the Department of Water Resources, Western Region, 2735 Airport Wy, Boise ID 83705-5082 together with a protest fee of \$25.00 for each application on or before 8/22/2005. The protestant must also send a copy of the protest to the applicant.
