RE: Change in Ownership for Water Right No. 15-2071 & 15-7048

Dear Mr. & Mrs. Nielsen:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership filed in February 2000. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

 X **Evidence of Water Right Ownership:** copy of Warranty Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question. The mortgage you submitted is insufficient evidence of ownership. Please submit to our office the Warranty Deed recorded at the time of purchase, including any attachments. Enclosed is a computer report of the water rights for your reference.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information **within 30 days** we will return your notice and all attachments and your notice will not be processed.

If you have questions, please contact Kari Lynn Townsend at 208-287-4952.

Sincerely,

Kandice L McDermott
Records Analyst
