Dear Roger,

This is my reply to your letter of Dec. 6, 2004 regarding my application for point of diversion transfer of water right No's. 29-13401 and 29-13399.

To comply with the irrigated acreage, I want to reserve the right to transfer right 29-191 ^{or a portion of this right} to another place of use or for another purpose of use within five years of the date of this transfer.

Thank you,

Kenneth Andrew

P.S.

Roger,

I have included my reasons for voting against the Nez Perce agreement. I have said that I will not undermine the agreement. The committee of 9 did their work, the agreement has passed the house and I'm sure will soon pass the senate & we will move to implement it.

I appreciate all you do & have especially appreciated your fairness & trying to be helpful to me.

Ken
