10. Remarks:

This application covers the planned expansion of Magic Village Sub. No. 3 for the west half of Block 2 and a portion of the west half of Block 3.

The well will be drilled at the south end of the property. The two halves are being developed separately to avoid costly DEQ regulations for larger systems. We plan to drill the well as soon as possible, but it could take 5 years for all the lots to be developed. There are 19 lots involved, but no more than 9 homes will be built.

The app was amended 7-27-05 to remove the original proposed backup well, and to reduce the development to 9 homes instead of 10.

11. Map of proposed point of diversion and place of use attached? []

BE IT KNOWN that the undersigned hereby makes application for permit to appropriate the public waters of the State of Idaho as herein set forth.
