10. Remarks:

This application covers the planned expansion of Magic Village Sub. No. 3 for the east half of Block 2 and a portion of the east half of Block 3. The well will be drilled near the north end of Block 2. The two halves are being developed separately to avoid costly DEQ regulations for larger systems. There are 14 lots involved on this application, but no more than 9 homes will be built there.

The app was amended 7-27-05 to remove the proposed backup well, and to reduce the development to 9 homes from the original 10 homes.

11. Map of proposed point of diversion and place of use attached? ☐
