Re: Don K. Weilmunster Application for Transfer of Water Right

Dear Sir:

Pursuant to your inquiry I provide you with the following:

At the time of the initial filings pursuant to the SRBA it was erroneously reported that Donald K. Weilmunster was irrigating 33 acres in the southwest quarter of the northwest quarter, Section 22, Township 9 North, Range 4 East, B.M. He is irrigating 30 acres in that quarter, quarter section of which the remaining ten acres is owned by a neighbor.

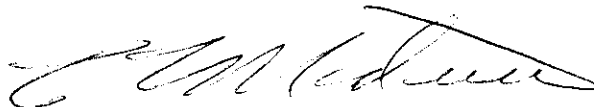

Pursuant to your inquiry we have reallocated the three acres of water right as indicated in the attached documents.

Pursuant further to your request we have shown the points of diversion in Anderson Creek and on the Middle Fork of the Payette River as they pertain to Water Rights 65-02887 and 65-7346.

If you have further question on this matter please let us know.

Very truly yours,

MCDEVITT & MILLER LLP
